2008 ANNUAL REPORT

faces of the future
faces of the future

At a time when we are inundated with negative and alarming messages regarding the state of our economy, the environment, and the unrest in other parts of the world - to name only a few - it may be tempting to lose hope and be discouraged about the future. As educators at Archbishop Alter High School, we have the blessed ability to see the real future. We can see beyond the struggles of today because tomorrow is sitting right before us in our classrooms.

Within the walls of Alter High School is a youthful energy and spirit that will challenge ideas, find cures, lead governments, and teach others. Our students have inspiration and determination far exceeding what some believe true of this next generation. They are intelligent, focused, caring, and giving. They are children of God, born leaders, committed to their faith and upholding our Catholic values. They are the faces of the future and they will change our world.
We are pleased to present to you the 2008 Annual Report for Archbishop Alter High School, faces of the future.

Our Annual Report serves as an important opportunity to recognize all those who made financial contributions to Alter through the 2007-2008 Annual Fund, Restricted Gifts and/or Memorial Gifts. The publication also serves to communicate to our constituents the state of the school in all matters academic, extracurricular and financial following an address from our President, Father James Manning.

To all of you who have supported us, thank you. We are most grateful for your generosity.

Writing for the Annual Report gives one the occasion to reminisce on the past year. It was a highly successful year at Alter but it also was a year of transition.

The President’s office was transitioned from Seton Hall to the main school building. There was a transition to Mrs. Nicole Brainard as our new Principal. We transitioned our Business Manager position into a broader role of overseeing Advancement initiatives for the school with the hiring of Mr. Terry Klein, Director of Finance. We transitioned our strategic planning efforts into a major capital campaign. And, over the summer, we hired Mr. Matt Sableski to be the Vice Principal of Academics.

The overall purpose of these transitions is to improve the quality of Catholic education here at Alter. As the Gospel says, “new wine needs new skins.” The purpose of the new skins is to improve the quality of wine.

Such is the case with Alter High School. Alter is a school that produces. It produces academically, spiritually, athletically, in music and in the arts. Alter is a school with a proud tradition.

With that tradition comes the responsibility to hand it down and leave a legacy for future generations of Knights. With the faces of our students in mind, we need to make change from time to time. Transitions are essential to the growth of any institution.

Education needs to be centered and focused on the students and their needs for the future. Transitioning students from grade school to high school, and then high school to college and employment, enables our students to “live their lives to the fullest.”

I am happy to announce that enrollment in our freshmen class has increased and the new freshmen class will be the largest in the school next year. Hopefully this will be a glimpse of things to come at Alter as we chart our course and set our sails for the future.

There is a song in church that says: “O God our help in ages past and our hope for years to come.” Here at Alter we build on our past for the future.
Budgetary management that includes a strong on-site team and the Finance Committee of the Board is proving to surmount any financial challenges at Alter.

Alter lost a larger than average senior class in 2007, which new enrollment did not fully replace. Despite this initial budgetary impact, the actual revenue for 2007-2008 remained stable while expenses went down and we entered this new school year financially sound.

Beyond the obvious importance enrollment and tuition revenue play in the yearly budget, the annual fund remains another critical component to the school’s financial health. Our constituents’ annual commitment is an important factor in sustaining our high standard of education at Alter when faced with somewhat uncontrollable enrollment fluctuations and other economic factors. We thank all those who continually give so generously to Alter High School.

*The following is an unaudited statement of revenues and expenditures for the fiscal year ending June 30, 2008.*

2008 VALEDICTORIAN, SARAH LECHLEITER

Pursuing Finance and Spanish
Miami University, Oxford, OH

“The atmosphere of high expectations at Alter motivated me greatly. The teachers don’t just want you to do well on a test — it’s more important to them that you actually understand the material and apply it to your life.”

2008 SALUTATORIAN, BRIANNA LIBERIO

Pursuing Biomedical Engineering
Clemson University, Clemson, SC

“I feel very confident about my readiness for college, both academically and morally. Alter grew my intellect, but perhaps more importantly, it grew my character. It’s made me a better person.”

• OVER $6.6 MILLION IN SCHOLARSHIP OFFERS CAME TO THE CLASS OF 2008.

• 98% OF THE CLASS OF 2008 IS CONTINUING ON TO HIGHER EDUCATION.

honors of distinction
- Ohio Governor’s Award for Excellence in Youth Science Opportunities (2nd consecutive year).
- Selection by Education Development Center for a pilot Bioethics Curriculum Study with enhanced biology materials emphasizing informed decision making.
- Twenty Personal Finance Students scored in the top 25th percentile on the National Financial Literacy Challenge with one student scoring in the top one percent.
- New Foreign Exchange program welcomed students from Denmark to Alter, infusing global and cultural education into our classrooms.
- Eight students advanced to the State Final Science Fair competition with four Excellent ratings and four Superior ratings.
The Alter Knights had another impressive year in 2007-2008, topping it all off with two State Championships and league recognition of five Coaches of the Year and ten Players of the Year!

**BOYS**

**Baseball:** GCL Co-Champions

**Volleyball:** GCL and Regional Champions, first-ever trip to State

**Track:** District Runners-Up, 3rd in GCL

**Tennis:** Two individual District Qualifiers

**Soccer:** GCL, District, Regional Champions and State Runner-Up

**Cross Country:** One individual Regional Qualifier

**Golf:** Team State Qualifier, 8th place finish at State Tournament

**Football:** GCL Champions and Regional Semi-Finalists

*Football senior team members in the Class of 2008 took top place as the class with most wins in their Alter High School football career.*

**GIRLS**

**Track:** District and Regional Champions, 3rd in GGCL, 5th at State Meet

**Basketball:** District, Regional and State Champions

**Cross Country:** GGCL, District, Regional and State Champions

**Golf:** GGCL Champions

**Volleyball:** District Runners-Up

**Soccer:** GGCL Champions, District Champions

**Tennis:** Two individual State Qualifiers

*coaches of the year*

Jason Balogh – Girls Soccer

Doug Orange – Girls Golf

Matt Sableski – Girls Cross Country

Barb Riazi – Girls Swimming

Scott Balent – Baseball

Ed Domsitz – Football

Bob Ellis – Boys Soccer

Tina Jasinskowski – Boys Volleyball

**athletic director**

Chris Hart, Alter A.D. and Girls’ Basketball Coach, achieved both her career 300th win and 200th at Alter this past year.
players of the year

Fall:
- Courtney Chihil – Girls Soccer
- Hilary Esselstein – Cross Country
- Kathleen Glavin – Girls Golf
- Hank Keighley – Football
- Nick Royer – Boys Soccer

Winter:
- Johnathan Martinez – Boys Swimming
- Ryan Siggins – Boys Basketball
- Ally Stover – Girls Swimming

Spring:
- Matt Knapke – Baseball
- Robbie Courtney – Boys Volleyball

full athletic scholarships

Kathleen Glavin – University of Memphis, Golf
Henry Keighley – University of Toledo, Football
Holley Mangold – Ursuline College, Track
Meghan Waterman – Niagara University, Basketball
Courtney Chihil – Golf Coast University, Basketball
Rob Courtney – Quincy College, Boys Volleyball
Hilary Esselstein – University of Findlay, Cross Country/Track

WHAT’S NEW?

After playing as a club for seven seasons, in 2007-2008, Alter Hockey became an OHSAA sanctioned varsity hockey league, competing in the Southwest Ohio High School Hockey League (SWOHSHL) and winning the North Division Championship!

Have you seen Kettering’s pride in the Alter Knights?
These new landmark structures announce the city of Kettering border at several different locations around the city. Year after year, Alter sets the pace in area athletics and has become synonymous with the word Champions.

athletic association officers

Football:
- Doug Stone – President
- Steve Taulbee – Vice President
- Mark Guerriero – Treasurer
- Cathy Southam – Communications

Girls’ Soccer:
- Joe Morgan – President
- Steve Beinlich – Vice President
- Jim Hyland – Treasurer

Boys’ Soccer:
- Jack McCarthy – President
The past year saw tremendous growth in the performing arts in terms of both participation and quality, as well as exciting additions to the visual arts program.

- Marching Knights were crowned #1 Class A band in Ohio's Mid-States Band Association.
- Castle Player’s spring musical, *Thoroughly Modern Millie*, had record-breaking audience attendance for the Friday night and Sunday performances.
- The Alter Elementary Instrumental Music Program has grown to provide music direction and training to four local Catholic elementary schools.
- Alter began an association with the Victoria Theatre for student participation in Broadway Master Classes and Shadowing opportunities.
- Alter’s visual arts program added the very popular digital photography and art design class using Adobe Photoshop and Adobe Premier Elements software.
- Alter student, Alex Finke ’08, had the leading role in Muse Machine’s winter musical, *Peter Pan*.

Though not a formal organization, theatre parents of Castle Players are among some of the most dedicated and reliable volunteers for Alter. Like any involvement from parents, it’s often what makes the difference in taking an ordinary program and making it exceptional.
Alter students continually serve others both locally and globally, committing their time and energy to improving the quality of life for many in need. Two clubs in particular are avenues for participation in very worthy projects annually:

**KEY CLUB**

Living out the Key Club mission, *Caring – Our Way of Life*, students baked cookies for prisoners, volunteered at the Special Olympics, took part in Pet Therapy at Lincoln Park Nursing Home where they also hosted Bingo, and worked with the disabled through various projects at We Care Arts. Boasting the largest Key Club in Ohio, Alter took first place in the state for a Single Service Project with another successful Turkey Drive, raising nearly $10,000 and delivering 1,000 turkeys over the holidays. Additionally, with money raised from the Mother-Son Shindig and through their own hard work remodeling the East End Community Center in Dayton, Alter students won the Major Emphasis Award at the annual Ohio Key Club Convention.

Key Club, with its endless hands-on service opportunities, has changed the way I think about my future and what I want to do. I’m now considering special education as a major since my work with Special Olympics and seeing how others have to deal with their disabilities every moment of every day. The experience is calling me to do something that makes a real difference in the world.

~Lauren Ignozzi ’09

**THE NEW OPTIMIST CLUB**

We are proud to report that the demand for Alter service, both in student participation and in community requests, necessitated adding another service group last year. A core group of students asked Principal Brainard to consider implementing a Junior Optimist Club and with approval, they did all the required leg work to ensure an outstanding first year! The club had an impressive 55 registered student members and sponsored three successful service projects to benefit various charities.
RECRUITING FOR  
THE CLASS OF 2012

The incoming freshman class is the largest enrolled in recent years at Alter. The Class of 2012, with 180 new students, has become the biggest in the school and brings us 20 more freshmen than the prior enrollment year. Several factors can be credited with this 14% growth. First and simply, there was a slightly larger Catholic elementary school base of eighth-grade students; however, Alter’s recruiting percentage within these same schools also increased nearly 5% in one year. Secondly, the Archdiocese moved to “open recruiting” last year which broadened our market share of prospects.

We plan to conduct focus group studies throughout the new school year to more accurately assess the marketing draw of Alter with these newest Knight families, but initial research is already identifying enrollment momentum evolving from some key initiatives and developments.

- Historically, it is not uncommon for a school to see a slight increase in enrollment with the hiring of a new principal. Nicole Brainard has completed her first year in the role and is seen as a high-energy, educational leader, raising the bar even further on both student and faculty performance as well as accountability. We expect her reputation will continue to positively influence parents’ opinion on Alter academics and consequently, enrollment.

- Alter initiated a new awards banquet last year that recognizes eighth-grade students who scored in the top tenth percentile on the High School Placement Test. Present at our inaugural Knights of Excellence dinner were 38 students and their families, 35 of whom are now enrolled at Alter. For many, the opportunity to hear from current faculty and students, and be honored for their success, helped make their decision to attend Alter. Additionally, it is helping Alter secure even more of the top academicians, benefiting the total student body in academic standards and performance.

- This past year, Alter built upon its recruiting program and broadened its reach to elementary school families through increased presence at high school fairs, more visitation and shadow opportunities, a targeted, direct mail campaign, greater media attention with an increase in both press releases and exclusive reporting, as well as personalized recognition of receipt of holy sacraments.

The above represents only some of what was new in recruiting efforts at Alter during 2007-2008. We are blessed to be building our enrollment program upon an already strong marketing base of teaching excellence and impressive alumni. Additionally, we are grateful for the cooperation we receive from our area elementary schools in promoting an Alter education, helping to demonstrate to families the value in continuing with Catholic education and in choosing Alter High School specifically.
THE ALTER BOOSTER ASSOCIATION

The Alter Booster Association continues to play a vital part in the financial stability and overall improvement of our school. Through events that have long become tradition at Alter, this integral parent support group raises hundreds of thousands of dollars that directly benefit the school’s operation every year. This past year alone, the Boosters contributed a total of $207,000 to a variety of special projects, as well as an unrestricted annual fund gift of $75,000!

Throughout the year, funding requests are made to the Booster committee, often times enabling Alter to finance unforeseen needs or quickly move on new opportunities that surface outside of the operating budget. With proceeds primarily from AlterFest, the Fish Fry and the Golf Outing, the organization provided $14,000 in need-based grants for incoming students, as well as a new school van and critical plumbing upgrades in 2007-2008. Additionally, teachers are starting this new school year with all new laptop computers thanks to our Boosters, and they’ve also provided the financing for a complete redesign of the Alter Web Site, a project that is currently underway.

Thank you to all of our Booster parents and supporters for helping to provide the exceptional education that is so commonly associated with the Alter name.
One of the most exciting developments for an advancement department of any organization is initiating a capital campaign. As you may be aware, Alter has been laying the groundwork for its campaign for two years and we are currently in the midst of the pacesetter, private phase of Alter’s first major campaign.

At this time, the workings of Alter’s Advancement Office can be seen as a micro-cosm of our greater community where the yearly development program needs to be tended to in order to not be disrupted by the attention and energy demanded by the capital campaign. It is critical that all of us, even when focused on the campaign, stay aware of the annual fund as the financial foundation for Alter year to year. Contributions made to this fund provide basic operating revenue for Alter to continually improve its student offerings, make necessary improvements to the facility and provide faculty needed equipment and supplies.

We thank all of you who continue to demonstrate your commitment to Alter’s Annual Fund every year. You make a tremendous difference in the value associated with Alter High School.

When it’s time for my little sister to come to Alter, I know it’ll serve her future by allowing her to excel in sports, academics, service...anything she wants to do, she’ll do it better by coming to Alter.

~Greg Tankersley ’10, sister Jill

Both our moms (Deanna Karpiak ’82 Rasso and Kim Karpiak ’77 Lindley) came to Alter as sisters and they told us that we would love it here. We don’t always admit when they’re right, but in this case, they were! The spirit of Alter is amazing!

Before we moved back to Dayton my husband enjoyed the sense of community he felt whenever we came home to visit or go to any Alter games. We moved to Kettering because he wanted our sons to have that foundation, to share in that spirit. With one son at Alter, and two more headed here, they may not understand it yet, but we know that they’re already building relationships that will last a lifetime.

~Jeanne Glennon ’81 LeComte

The teachers truly care about students at Alter, and that affects how we care about our classmates – we help one another, we motivate each other. I can count on my peers at Alter. I can rely on my teachers. It’s just a great school.

the face of the past... shaping the future

Nearly 55% of the 2008 Annual Fund total was a result of alumni participation. We are proud of this involvement and once again, thank all those who remember Alter in their giving. We especially want to recognize the class years throughout the ’70s that consistently demonstrate their commitment to future students of their alma mater. This decade alone accounts for 42% of the alumni investment totaling $186,752. Thank you Knights!

I’m glad that my younger brothers will have the chance to experience the open arms and spirituality of Alter that my older siblings and I have. There is a closeness in this community, unlike any other school, that has shaped my life in many ways.

RESTRICTED GIFTS

The Alter community has long been one in which members seem to enjoy giving to a specific area of the school and “restrict” their gifts accordingly. Total contributions in this form of giving exceeded $208,000, directly benefiting numerous departments, clubs, sports, associations and programs for the school. We are very thankful to the following families and organizations for their financial gifts in 2007-2008:

- Altaquip
- Anonymous
- Anonymous
- Anonymous
- Alter Booster Association
- Alter Faculty and Staff
- Alter Music Association
- Kenneth Anderson
- Lucille Anderson
- Warren and Susan Arleth
- David and Mary Lynn Kronauge ’85 Astles

I'm grateful to start my freshman year at a school where faith is the common ground among peers and there is a high level of respect for one another.

~Samantha Schuerman '12
We remain humbly grateful when families think of Alter in honoring or remembering a loved one. Thank you, and may God bless you and yours.

The William J. Eisenhauer, Jr. ’82 Memorial Scholarship Award
When an Alter family manages to bring some kind of good out of their personal tragedy, they exemplify the strength of faith and spirit that serve as the foundation of this fine school. We are grateful that the Eisenhauers are one such family, helping to provide future students of Alter the same education valued by their loved one. It’s remembering the past by looking ahead to the future. Thank you Eisenhauer family.

() indicates how many years at Archbishop Alter High School
To all those who supported Archbishop Alter High School last year, we thank you.

Alter High School is an institution that creates promising futures for young people. It’s a place where faith is nurtured, intellect is stretched and excellence is achieved. I’m grateful others see the reward in supporting such a fine school and sustaining its reputation for success.

-Rob Suttman, Board Chairman ’78
Facing life with valor like the Knights of old,
We promise always great ideals to hold,
With our eyes on Heaven, sword of Faith in hand,
The future face, and with grace, Take our stand.
We cannot always build the future for our youth, but we can build our youth for the future.

~Franklin D. Roosevelt
