THE COVER

Archbishop Alter High School is a co-educational, comprehensive Catholic school that is committed to challenging students to reach their full potential by providing academic excellence in a Christ-centered environment.
Taking Pride in Appearance

It is hard for me to believe that I am entering my tenth year as President of Alter High School. As the saying goes, “Tempus Fugit.” “Time flies when you are having fun.” It is fun to work at Alter High School. I can honestly say that I look forward to coming to school every day.

One of the things that really impresses me is how well our buildings and grounds look for now being 50 years old. This is a real tribute to our facilities and finance personnel here at Alter. Taking good care of buildings and grounds is stewardship at its best.

Alter is well known in the community for our excellence in faith-formation, academics, athletics, and the arts. And these are the reason for our existence and our mission. But our students also need and deserve the physical facilities to maintain and continue this excellence.
To enhance our faith formation, our new indoor chapel is now five years old with the stained-glass windows and last year we added an outdoor Rosary Chapel that is well received by our students and the neighborhood. To enhance our academics, our new science labs are now five years old with the addition of a STEM lab this summer. To enhance our athletic program, our fields have been turfed. To enhance our arts and music program, we are in the process of raising funds for an Arts Center between the school and Seton Hall. Our arts and music programs are first class and deserve a state of the art facility. This would enable the weight room to go to the Auxiliary Gym and an Alumni-Booster Center to be attached to the Arts Center in the eastern section of Seton Hall.

There were 8 projects this summer: a new STEM lab; Voice-over IP Phone System; Phase III Security System; Time Warner Cable System upgrade; Ash Tree removal (16 trees); Projector Project in 20 classrooms; Concrete Replacement on curbs; and Media Center (Library) upgrade. A ninth Energy Lighting upgrade was delayed until a later time.

As we continue our excellence in all of our programs, we need to continue our pride in the appearance and functionality of our buildings and grounds. Alter students deserve the best.

This is where the Alter alumni come in. We need the alumni to help us maintain the Alter pride. We encourage the alumni to be as generous as you can to the Annual and Capital Campaigns. And since many of our first graduates are now in their sixties in age, we encourage them to consider a planned gift to Alter. Scholarship funds and financial aid are needed to help our students attend Alter.

Excellence comes at a price and a sacrifice. As you have been so generous to Alter in the past, I encourage you to be generous to Alter in the present as we create our future. As Alter was there for you during your years here helping you prepare for your future, I encourage you to be as generous as you can in helping us endow Alter with a bright future.

As a priest and as a president, I know that I cannot ever say “THANK YOU” enough so let me end by expressing my gratitude to you for your generosity to Alter High School and keeping the ALTER PRIDE alive and well for the future.

Alter placed third in the regional Science Olympiad and moved on to the state tournament. Students received medals in 21 of the 23 events.

The Academic Team concluded their season by playing in the Western Regional Tournament. The top two teams qualified for state. Alter placed fourth in a field of 16. They defeated Troy, Oakwood, and Fenwick to reach fourth place and outlasted CJ in the tournament. Congratulations!

The Ohio Academy of Science selected Archbishop Alter High School as one of 58 Ohio schools to receive Governor’s Thomas Edison Awards for Excellence in STEM Education for their accomplishments during the 2012-2013 school year. The school will receive a special Governor’s Award certificate. The Technology Division of the Ohio Development Services Agency funded the program. Five schools received the maximum median score of 10 points: Bellbrook Middle School, Bellbrook; National Inventor’s Hall of Fame School, Akron; Archbishop Alter, Kettering; Ottawa Hills HS, Toledo; Mad River MS, Dayton.

Alter High School led a blessing of its new Prayer Garden located in front of campus on Wednesday, October 30, 2013. Father Jim Manning, President of Alter High School, offered the blessing and included the public, the Board of Directors, the senior class, and the residents of the neighborhood. Underclassmen attended other services offered that morning.

October was the month of the Rosary, and it was the perfect time to dedicate and bless the new prayer garden created around the mysteries of the rosary. The garden features stunning artwork on five pillars representing the five mysteries from local artist Suzanne Ley, a former Alter parent. William Schoen, Alter’s longtime Director of Facilities, was the overall visionary for the garden. Schoen included plantings around the garden to tie into the overall theme of Mary.

Congratulations District II State Diving: Claire Schuermann - State Champion Trent Hagenbuch - Runner-Up

Congratulations D2 State Champs Track & Field 4x800 Relay! Kyle Borton, Kristen Petrosky, Alex Groene, & Abby Nichols

Boys Volleyball finished the season 21-6, claiming the GCL-Coed Title along the way and their fourth regional championship in the past five seasons.
WOW! It was an outstanding season for the Marching Knights that included forty-one band and guard students (plus our amazing 25 Lancie friends.) Highlights included:

- MSBA Bellbrook Invitational: First Place Class A, Best Music, Best Visual, Best General Effect, Best Color Guard
- BOA Kettering Regional: Second Place Class A, Regional Finalist
- BOA Atlanta Super Regional: Third Place Class A, Best Visual
- MSBA Championships: First Place Prelims and Finals, Grand Champions, Best Music, Best Visual, Best General Effect, Best Color Guard, Best Percussion
- BOA Grand National Championship: National Semi Finalists, 4th Place Class A

Two staff members retired from Alter in May 2014: Stephanie Larkin, Administrative Staff for 23 years, and Jimmy Peters, Math Teacher for 40 years. We will miss these Knights!

The Sisters of Charity of Cincinnati awarded the Congregation’s highest honor, the St. Elizabeth Ann Seton Award, to Anne Gutzwiller, Jerry Judd and Alter’s very own theology teacher, Norm Rich Jan. 5, 2014 at the Mount St. Joseph Motherhouse.

The Dayton Agonis Club bestowed its highest honor to Chris Hart for her various athletic achievements. The longtime Alter girls varsity basketball coach and an Alter grad, she led the Knights to a 29-1 season, losing only in the Division II state championship. It was the third time under her that Alter played for the state title and the fifth time the Knights advanced to the final four. She has more than 450 career coaching wins, including time spent as a coach at Wooster. She received the Mike Kelly/Don Donoher Award that recognizes an area coach.

With a 13th pick of the third round in the NFL draft (77th overall) the San Francisco 49ers selected Alter alum, Chris Borland ’09. Borland entered the draft after completing 420 tackles, sixth-most in University of Wisconsin history. Congratulations Chris!

The Alter Hall of Fame Class of 2013 Induction Ceremony was held on September 26, 2013. New distinguished members included John Frounfelker ’77 (posthumously) and Mary Lynn Dorow ’76. Athletic inductees included Kelly Jones Caron ’01, Dave Seman ’75, Nick Andrews ’97, & Josh Mears ’97.

The Castle Players had an outstanding theatre season with their productions of Boeing Boeing and Children of Eden.

The Trace won first place in the Alter’s Got Talent contest. Band members include Alter students, Matt Schlegel, Tyler Nichols, and Andy Waker.

Danny McGeady ’97 was named the “Man of the Year” by the Leukemia and Lymphoma Society. He did this to honor his wife, Theresa Pittl ’97 McGeady, and remember his friend & teammate, Kurt Murnen ’97, who died of bone cancer at only 19 years of age.
