DECEMBER – A TIME OF PREPARATION FOR OUR HEARTS AND MINDS

Lourdes Lambert

Dear Families:

I hope this newsletter finds you well, and re-energized after time with your loved ones over Thanksgiving break. We began our long Thanksgiving weekend with our grandparents, and are so grateful for their spirit of love, kindness and compassion. It was a great way to kick off Thanksgiving break for students, faculty and staff!

As we look ahead to December, we recognize that it is the season to prepare both our hearts and our minds.

We prepare our hearts during Advent for the birth of our Savior. We had our traditional giving tree ceremony on Monday, November 28th to start the season. We ask that you consider donating to either Catholic Social Services or Hannah's Treasure Chest by choosing an ornament from the giving tree and returning the gift by December 15th. We will also have the opportunity to donate new pajamas to children in need on Friday, December 9th. On this day, we will have our Pajamas for pajamas event where our students may wear pajamas to school if they bring new pajamas to donate. More details on specific sizes of pajamas for each grade level will be forthcoming. As we prepare our hearts through giving, we will also prepare our hearts by participating in Advent Reconciliation Services on Wednesday, December 7th in Theology classes, and by celebrating Mass together on Thursday, December 8th for the Feast of the Immaculate Conception.

As we prepare our hearts, we know it is also the season where we must also prepare our minds for semester exams. Our semester exams begin on Thursday, December 15th, and, during this time of preparation, I have a few suggestions that may make exam preparation a bit easier especially for our freshmen students and students new to our school:

Take time now to encourage your child to gather materials for their exams. Remind them to collect old tests, notes, flashcards, study guides and quizzes.

- Suggest to your child to begin to review as early as December 1st. This gives them a good two weeks to spend a few minutes each night reviewing for each exam rather than trying to study all night the night before the exam.
- Take advantage of study guides and exam review materials provided to students by their teachers. Complete the review materials, and use those to study nightly as well.
- Don't be afraid to ask questions – your child's teachers will answer any questions your child has about the format of the exam or the best way to study for the exam.

On the day of exams, it is important for students to have had a good night's sleep the night before, and a protein rich breakfast to help them stay focused. They should also bring a snack for the break between exams or have money for snacks from the cafeteria during the break. Water and a granola bar would be an example of a perfect choice! I have included our exam schedule for your convenience below:

Thursday, December 15th:

8:30 a.m. – 10 a.m. – First Period Exam

10:05 a.m. – 10:20 a.m. – Break

10:25 a.m. – 11:55 a.m. – Second Period Exam

12 noon – Dismissal

Friday, December 16th:

8:30 a.m. – 10 a.m. – Third Period Exam

10:05 a.m. – 10:20 a.m. – Break

10:25 a.m. – 11:55 a.m. – Fourth Period Exam

12 noon – Dismissal

Monday, December 19th:

8:30 a.m. – 10 a.m. – Fifth Period Exam

10:05 a.m. – 10:20 a.m. – Break

10:25 a.m. – 11:55 a.m. – Sixth Period Exam

12 noon – Dismissal

Tuesday, December 20th:

8:30 a.m. – 10 a.m. – Seventh Period Exam

10:05 a.m. – 10:20 a.m. – Break

10:25 a.m. – 11:55 a.m. – Eighth Period Exam

12 noon – Dismissal

It is completely expected that students may be nervous and overwhelmed during the time leading up to semester exams. Please remember that we are here to help, and are always willing to speak to students personally about the best way for them to prepare and ease their nerves. We are grateful for the opportunity to serve your family during Advent and every season! May God continue to bestow His many blessings upon you during the coming weeks.

With hope and gratitude,

Lourdes Lambert
Principal

Finding Thanksgiving at Mass

Each November, Danny and our three boys fill the kitchen wall with cut out paper leaves that say “I am grateful for...” Each night, we write on a leaf that which we are thankful for and why we are thankful for it. You have to share the “why” so you can’t get away without a good reason! Oftentimes, the sentiments scribbled on those leaves are the freshest things on our mind that day. Perhaps it’s about a coworker who helped us or a friend who cheered us up at lunch. By the end of November, we have a beautifully decorated wall that even the kids admire.

It’s a practice we try to continue throughout the year, but without those little leaves, it doesn’t have the same intensity. Of course, the leaves aren’t necessary, but they provide the intentionality and the physical reminder that helps us with the activity of naming gratitude.

Did you know the word Eucharist means “thanksgiving?” I think about the number of times I go to Mass and receive the Eucharist without enough intentional presence and gratitude. Sometimes I’m distracted by my kids or the simple “to do” list running through my head. It can be difficult to purposefully place myself in a space to practice gratitude. Yet, when we go to receive Jesus in the Eucharist, the physical bread and wine transformed into Jesus transforms me.

We’ve celebrated five all school Masses and three Friday morning Chapel Masses. How blessed we are to celebrate the Eucharist in Thanksgiving as part of our culture here at Alter High School. To take time out of our day and thank Jesus for the gift of himself in the Eucharist is truly a gift itself. I pray we each continue to practice gratitude for the opportunity to worship together each month!

In Christ,

Heather Dunn
Director of Campus Ministry

DID YOU KNOW?

New Stadium Turf

An exciting update is taking place in the stadium this month as the original turf installed circa 2012 is being replaced! Careful management of Alter's finances and many years of generous donor gifts to the Alter Annual Fund made this new turf possible. Expected completion, weather permitting, will be January 2023. Thank you for continuing to support our school through the Annual Fund.

Nourish The Giving Tree

The Giving Tree is a tradition initiated by the Class of 1988 at Alter which began during the 1987 Advent. Through this activity students, faculty and staff, and families are given the opportunity to share with those who are less fortunate in the local community. By sharing our love and joy, so many children and families can experience the love and generosity of the people around them.

The Giving Tree ceremony is held the Monday after the first Sunday of Advent – November 28 this year. We join together for a prayer service and students can choose an “ornament” from the tree that contains a suggested gift (toy or clothing) for a child (ages 1-10). The gifts are collected at school and placed under the Giving Tree throughout the coming weeks. We welcome anyone in our wonderfully giving Alter Community to choose an ornament and donate a gift.

Before students leave for Christmas Break, Key Club members and moderator Mr. Norm Rich distribute the gifts to local agencies to support in their holiday gift-giving ministry.

This year we also have several gift tags for items needed by Hannah's Treasure Chest for families in need. These include items such as Kroger gift cards, pots and pans, blankets, cleaning supplies, laundry supplies, paper towels/toilet paper/tissues, and clothing in junior and adult sizes.

Gift Deadline: Thursday, December 15. *Please note: If donating gift cards for Hannah's Treasure Chest, please place the gift card in an envelope and bring it directly to the Main Office rather than placing it under the tree.

Grandparents' Mass

Grandparents are very special members of our Alter family. Their legacy of faith and love enriches the lives of our students, and it is truly an honor to celebrate them each year.

On the Tuesday before Thanksgiving, we were honored to be able to do just that. We welcomed over 250 grandparents who joined their grandchildren for a short commemorative photo-op and then proceeded to celebrate Mass at St. Charles. We thank you for the opportunity to get to know you and the role you play in the lives of your grandchildren, our students.

Key Club Turkey Drive/ Dare to Care Canned Food Collection

Alter participated in its annual Turkey Drive in November – a tradition that goes back over 50 years. Key Club Moderator Mr. Norm Rich indicated that \$4,700 was raised to purchase approximately 200 turkeys for those in need. The turkeys were delivered by Key Club members to three area pantries - Catholic Social Services, St. Paul Methodist, and St. Mary's Catholic Church. Through the efforts of the Dare to Care group along with the entire school, many canned goods were able to be provided along with the turkeys. Each faculty/staff and student was asked to donate three canned goods.

Mr. Rich said, "I would really like to thank the entire Alter community for being so generous every year. This community is amazing!"

Knight of Gratitude Recognizes Special Donors

Alter High School Principal Lourdes Lambert welcomed Knights Council donors to the annual Knight of Gratitude reception held at the Conservatory of the Arts on November 10. We were able to honor and thank those who gave so generously to the Annual Fund in the last year. Attendees were also able to see their generous gifts “in action.” Three Knights Council Scholarship recipients gave their personal remarks of thanks and gratitude to the audience after the reception. These students all expressed a similar sentiment about the people they have met as freshmen entering a new school; they felt welcomed with a sense of faith and pride in becoming an Alter Knight. The Knight of Gratitude is exclusive to those individuals who support Alter annually with a gift of \$1,000 or more.

ATHLETICS

Alter Athletes Commit to Play at the Collegiate Level

Alter High School was proud to celebrate seven student-athletes signing their National Letter of Intent to pursue their sport at the college level next year.

Principal Lourdes Lambert began by praying with special intention for our athletes, "We pray for them and with them; for their safety, protection and for their futures."

Athletic Director Chris Hart talked about how thrilled she, and the whole Alter community, is for these student athletes and remarked, "Did you know that only 7% of high school athletes have the opportunity to play at the college level? Alter currently has 6% of our senior class celebrating today and we expect more to commit throughout the year. This is an outstanding accomplishment for our student-athletes, coaches, teammates, and parents."

Congratulations and best wishes for a bright and exciting athletic career next year!

Mid-KNIGHT Madness!

The Joe Petrocelli Gymnasium was 'rockin' on November 19 when the Alter Boys' Basketball Team hosted the first ever Mid-KNIGHT Madness! Cheerleaders and Lancerettes joined the effort to excite the crowd of fans including special guests; South Dayton Knights and Dayton CYO players and their families.

The spotlight was on our Alter Varsity players until retired Coach Joe Petrocelli took the mic. Fans were treated to a special performance by the Lancerettes and rallied to the Gold vs. Brown player scrimmage. Those in the bleachers took home special sports and fan goodies tossed by the cheerleaders.

Mid-KNIGHT Madness might be the beginning of a great new tradition! Special thanks to Rick Ruffalo and many volunteers who worked so hard to put this event together for the Alter community. GO KNIGHTS!

Pajama Day Christmas Giving Project

At Christmastime, Alter's Dare to Care club, comprised of approximately 50 students, collects pajamas to donate to local kids in need. Club moderator and Theology teacher Ms. Linda Dintaman expressed how simple a thing like pajamas can help bring comfort and joy to children. This special event not only helps kids, but inspires students, faculty, and staff at Alter. **On Friday, December 9**, students are encouraged to donate a new set of children's pajamas. In return, students may wear pajamas to school that day. All donations go to the nonprofit, Hannah's Treasure Chest. Founded in 2001, Hannah's Treasure Chest enriches the lives of children in need by providing care packages of clothes, shoes, books, safety equipment and hygiene items through a network of more than 70 partners throughout southwest Ohio. ALTER BAND CHRISTMAS CONCERT

ALTER HIGH SCHOOL DIAMOND JUBILEE ALL THAT GLITTERS IS GOLD

March 31, 2023

Carillon Park - Eichelberger Room

Alter High School's 60th Diamond Jubilee will raise funds to renovate the locker rooms and improve our athletic facilities.

Dear Alter Community,

This past September marked Alter High School's Diamond Jubilee!

Sixty years ago, Alter High School welcomed our very first class of students. Those students laid the foundations of what has become a uniquely special community with a tradition of excellence that continues to thrive today. The torch to excel academically, connect spiritually, evolve artistically, and dominate athletically has been passed on for six generations. That is certainly something to celebrate!

We hope you will join us on Friday, March 31, 2023 at Carillon Park's Eichelberger Pavilion for a special evening filled with celebrations of our community and a focus on the investment in the future of Alter High School. The funds raised will be used specifically for improvements to athletic facilities, with an immediate priority of renovating multiple locker rooms used by all of our students. After 60 years of blood, sweat, and tears, you can imagine the improvement needed!

A lot has changed since we opened those doors 60 years ago, but one thing that has remained the same is the amazing generosity of our Alter community. **We hope you will consider becoming one of Alter's Diamond Jubilee Sponsors. Please click below to see the list of various sponsorship opportunities.** Through your gift, you will not only share in helping us to improve the athletic facilities for our Alter Knights, but you will also be a part of this momentous celebration.

If you have any questions in the meantime, please contact us directly.

Go Knights!
