ALMA MATER

Facing life with valor like the knights of old,
We promise always great ideals to hold,
With our eyes on heaven
Sword of faith in hand
The future face and with grace
Take our stand.
Hear our pledge of fealty to you,
As we ask your strength to see us through.
High in hope and spirit,
We will "do or die"

For our King and Alter High.

“...it was a school year filled with embracing who we are, and looking forward to where we are going.”

Looking Toward the Future

Dear Alter Knights,

Another school year is underway at Archbishop Alter High School, and we are excited to share the good news with you! This past year we celebrated **A LOT**. From our 60th anniversary celebration, to our teachers' accomplishments, to the graduation of the Class of 2023 – it was a school year filled with embracing who we are, and looking forward to where we are going.

In the 2023-24 school year thus far, we have welcomed the Class of 2027 and are leading the way for them with strong examples of faith, pride and spirit throughout their days here at Alter. In addition, we are excited to announce two new school partnerships – one with Class 101 Dayton, and one with Dynamic Catholic. Our partnership with Class 101 Dayton is the first school partnership of its kind in the nation! We are excited to bring the college and career services that Class 101 provides to all of our students. As part of our partnership with Dynamic Catholic, we are learning to look for the holy moments in our lives and capitalizing on those moments to deepen our relationship with God. We know that both of these new partnerships will help us all as individuals and as a school community.

We are also hopeful to bring our dream of a facilities renovation to life. We endeavor to improve our gymnasium, locker rooms, weight room, campus security and auxiliary gym – just to name a few of the areas. I hope you will dream with us and help us to make Archbishop Alter High School a viable option for many students for years to come.

Thank you for your prayers, your love and your support of our school. Please don't hesitate to stop by or reach out to learn more or to experience what's happening at our school. It is truly an extraordinary place filled with God's love in action on a daily basis!

With hope and gratitude,

Lourdes Lambert,
Principal

“We all want Alter to continue to be a viable school option and for Alter students to succeed.”

It was a brilliant evening as evidenced by the stunning photos from the 60th Diamond Jubilee Celebration. Stepping into the Eichelberger Pavilion at Carillon Historical Park immediately revealed that it was a meticulously planned night for attendees to celebrate friendships formed during their time at Alter High School.

HIGHLIGHTS OF THE GRAND EVENT INCLUDED:

- ◆ 50+ Student Athlete Greeters
- ◆ Special emcees **Joseph Thuney '11** and **Mark Lane '81**
- ◆ All-star Alter Alumni Athlete video
- ◆ Visual presentation of a contemporary campus dedicated to the student experience for safety, academic, and personal performance.
- ◆ A re-imagined gymnasium, student entrance and commons area, weight room, 3-court field house, stadium, locker rooms, and parking lot are part of this vision.
- ◆ Auction items and raffles, many of which were generously donated by members of our Alter community
- ◆ Special recognition of Alter Hall of Fame Inductees
- ◆ Over \$92,000 raised during our “Fund the Plea”
- ◆ Dance moves that cannot, and maybe should not, be replicated!

Co-Chairs of the gala, alumnae and parent of alumni **Kim Graf '88 Schimpf** and **Chris Sapita**, parent of alumni, were the architects behind the spectacular festivities. They give credit to the volunteers who so tirelessly dedicated their time, energy, and creativity to creating a magical evening.

When asked to summarize the experience, Kim and Chris both concluded, “We are SO thankful for all the division chairs and committee members. THEY made it all happen for our school!”

Kim also added, “What was NOT surprising was our love for one another. I saw so many people genuinely happy to be together—past parents, alums from all decades, future parents...it was awesome! What was surprising was the quiet generosity of our community and commitment to Alter. We all want Alter to continue to be a viable school option and for Alter students to succeed. This step toward facilities improvement is critical to Alter’s future and I think that our quiet generosity and commitment will continue to be demonstrated as Alter moves forward with necessary improvements.”

OUR FAITH

Dynamic Catholic Curriculum

“The goal of this program is to realize that there are moments in our lives that can be ‘holy moments’ if we choose to see God in them and collaborate with God.”

As mentioned in Principal Lambert’s introduction letter, Alter has partnered with Dynamic Catholic, an organization that strives to develop resources that inspire people to rediscover and re-energize Catholicism in their lives. We will use the *Holy Moments* book written by Matthew Kelly and Dynamic Catholic; and thanks to a generous donor, have provided each student, and their families, a copy of the book to explore together.

Director of Campus Ministry Heather Dunn stated, “The goal of this program is to realize that there are moments in our lives that can be ‘holy moments’ if we choose to see God in them and collaborate with God.”

Families and students are encouraged to read the book during the month of December - a perfect time during the Advent Season and Christmas break. Once we return from break, we will dive into the program as a school.

Each Monday, students will receive a “prompt” or focus for the week during their theology class. Teachers may use accompanying videos to encourage students to think about that specific theme. On Fridays, students will be grouped into God Squads to discuss how they witnessed holy moments during their week. Students may think of those moments as either “here’s one amazing holy moment I witnessed this week...” or “I collaborated with God to create this holy moment,” according to Dunn.

Alter faculty and staff were excited to begin the Holy Moments curriculum at the beginning of November with the distribution of the books to students and families prior to fully implementing the program in January 2024.

Norm Rich Honored at **SENIOR AWARDS ASSEMBLY**

Theology and Psychology teacher Norm Rich was awarded the **Spirit of Sister Dorothy Stang** award at the Senior Awards ceremony in the spring. This award is given to faculty members, parish ministers, and parishioners active in ministries dealing with social justice, seniors graduating high school, and parish youth ministry programs in the Archdiocese of Cincinnati.

The purposes of the award are:

- ◆ To keep alive the ministry and memory of Sister Dorothy Stang that included her solidarity with the poor, her care for the earth and her love for Jesus' mission.
- ◆ To encourage schools, parishes, and members of our archdiocese to study/teach about Sister Dorothy and encourage others to follow in her footsteps by promoting global solidarity and cross-cultural missions and ministries.
- ◆ To honor teachers, principals, parish ministers and graduating high school seniors who exemplify the values of Sister Dorothy through their social justice ministry, service work, and teaching.

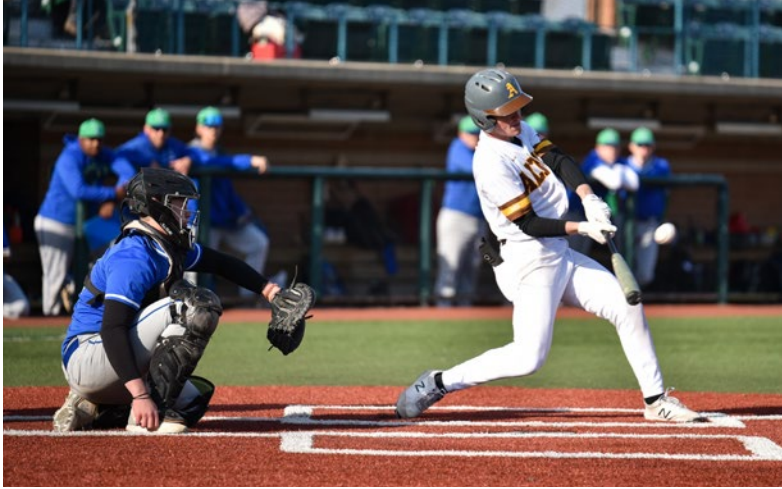

Mr. Rich is a true embodiment of what it means to be a servant leader in our community. We are so proud of this acknowledgement as we are blessed to have him teaching and serving in our school and community.

WINTER & SPRING SPORTS **RECAP**

ALTER

Let's take a look at our winter & spring sports teams' **accomplishments & the success of our student athletes.**

Baseball had seven seniors graduating. Michael Russ was named to the GCL All-League first team, AJ Rocco and Conor Watkins were named to the second-team, and Sammy Miller received an honorable mention.

The **girls' basketball team** finished the regular season as Co-GCL Champions and continued to tournament play where they were named District Champions.

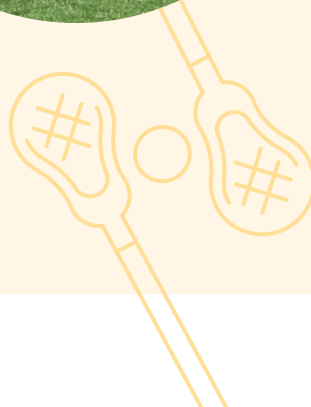

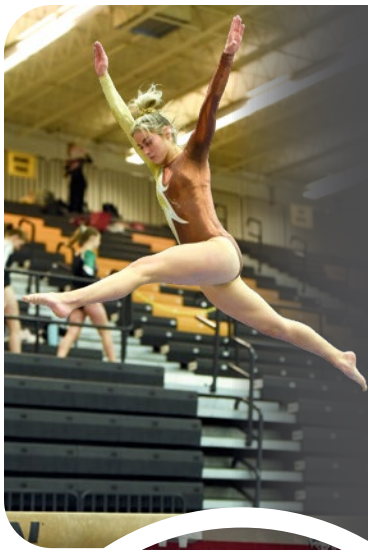

The **boys' basketball team** were also named District Champions. Anthony Ruffolo '23 was named Penn Station Athlete of the Year and claimed the third spot on Alter's all-time leading scorer list.

Boys' lacrosse ended the season with several GCL Co-Ed All League team award recipients: first team honors to John Thieman, second team honors to Carter Sheets and Morgan Montgomery, and honorable mention to Dixon Phillips.

Girls' lacrosse is in its second year as a varsity sport and fielded both a varsity and junior varsity team. They are looking forward to their third season in the spring.

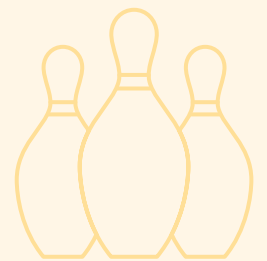

Our **gymnastics team** had an impressive end to their season with three gymnasts who finished in the Top 10 in the All-Around Competition – Emma Brown (1st), Kylie Jackson (8th), and Channing Simms (10th). There were several individual event top ten finishes at the Southwest Invitational Meet.

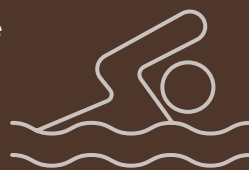

The **girls' bowling team** won four team matches. Alana Baker was named GCL Bowler of the Year. Alana and Hannah Hurst also qualified for the D2 District Tournament.

The **boy's bowling team** was led by Jackson Wright. Both Jackson and Justin Ross earned honors as second-team all GCL Conference.

The **swim team** persevered, and their hard work paid off as they were named GCL Champions and District Champions. Seven female and one male swimmer qualified for State and took third place – the highest achievement for the Alter swim team to date. State qualifiers included Nora Biollot, Emily Kyre, Annie Liebold, Sarah Morrison, Ava Tenhundfeld, Emma Tenhundfeld, and Nathan Kyre.

Track and Field had an exciting season with three relay teams and eight individuals qualify for District Finals and one individual, Tyler Simpson, qualify for the OHSAA Regional Championship in the 1600m.

The **hockey team** finished a successful season in the post-Ohio District Tournament. Several players, including all the seniors, played in the Southwest Ohio High School League All-Star match at the end of the year.

The **wrestling team** was back in action this year and had two freshmen wrestlers, Alora Strauser and Rod Owens, qualify for the state tournament. Rod Owens was also awarded GCL athlete of the year.

Boys' Volleyball won the District Championship which qualified them for regional quarter finals. Channing Hawes and Charlie Hart were named to the GCL first and second teams, respectively.

During the **boys' Tennis** season, Ethan Paul finished his with a winning record at first singles. They are looking forward to many returning players next season.

The **girls' softball team** celebrated seniors and four-year letter winners Izzy Albrecht, Katie Jecker, and Madi Ripley. Izzy and Katie also played in the Southwest District Senior All-Star game.

By **Jennifer Schlangen**, Dean of Academics

In my twelve years at Alter High school, I have witnessed that this is a place where **staff serve and support students to meet their needs and to prepare them for success.** In my role as an English teacher and English Department chair, I have been able to witness and partake in this firsthand. In response to the academic direction of the strategic planning committee, the Dean of Academics position was developed.

Catholic schools focus on instilling character, so students make the right choices. We provide students the freedom to explore aspects of the world not found in state-mandated lesson plans, while incorporating spirituality into every aspect of the curriculum. Our teachers and leaders are held to higher standards of professionalism, morals and ethics, exemplified both in and out of the classroom.

Alter has a professional teaching staff of 51 who have a combined average of over 17 years of teaching. 62% of the faculty and staff hold a Masters Degree or higher and our student to faculty ratio is 10:1. These statistics support the reality that many parents look to the teachers at Alter as partners, trusting they are teaching the same values in school as they teach at home, and that we are preparing students for success.

Alter exposes our students to a rigorous and academically challenging curriculum. Creating a critical thinking mindset is a key part of navigating college, the job market and for developing a unique perspective on the world. Classes are offered at different levels as we strive to meet our students where they are most capable. Specialized classes such as STNA (Nurse's Aide Certification), Honors Digital Electronics and AP Classes are offered to prepare students for their paths after Alter.

When a Knight graduates, it is our goal as educators that we have provided them with the best tools to fulfill their futures as productive citizens, caring employees, competent professionals, and daughters and sons that will make their families, and all of us, very proud. As Dean of Academics, I am looking forward to working with and strengthening the ways that we educate each of our Knights and their families this school year.

“When a Knight graduates, it is our goal as educators that we have provided them with the best tools to fulfill their futures.”

In 2022 and 2023, **72%** of our students took an AP exam and **scored a 3 or higher**

WELCOME CLASS OF 2027

By **Jessica Pettit**, Director of Admissions

This August, Archbishop Alter High School welcomed to campus a freshman class that represents fully the faith, pride and spirit that are the hallmarks of our student body, our faculty and staff, our families, and our community. The Class of 2027 is made up of 120 students: 64 male and 56 female. These students come to Alter from more than 15 different cities and townships across the Miami Valley. Our newest students attended 24 different elementary and middle schools and have interests and abilities that will greatly enrich our school in the years to come. Always of note, 54% of our incoming freshmen have a family member who also attended, or currently attends, Alter High School. **Go Knights!**

As the Class of 2027 takes their place in the halls and classrooms of Alter, we have now turned our attention to building the Class of 2028. Our efforts began with a new set of events meant to encourage prospective students and their families to explore all that Archbishop Alter High School has to offer. These events, called **ALTER: ALL ACCESS**, started on September 13 with a highlight on the faith component of an Alter education and an opportunity to cheer on our girls' soccer team as they faced C-J on the turf field; continued on October 12, with a focus on our incredible arts and athletics programs; and wrapped up on November 9, as we discussed Alter's academic excellence and provided insight regarding

the admissions process. As in previous years, we welcomed current 8th grade students to spend a day shadowing an Alter student: attending classes, touring the building, and eating lunch in our cafeteria. Pilot programs this year include a monthly admissions newsletter and video series, a new training program for student ambassadors, and the continued growth of our parent ambassador program, which was started this spring.

We have loved sharing all the best things about Archbishop Alter High School with students this fall and look forward to adding another fantastic group of Knights to our rich and enduring legacy of opportunity and excellence.

CLASS OF 2013

Class 101 Comes to **ALTER**

Alter has entered into an exciting partnership, thanks to a gift from the Yeager Family Foundation—**Class 101 Dayton**. We are blessed by this gift to have Class 101 come directly into our school as they meet with students and parents in groups and in one-on-one discussions.

Class 101 Dayton helps students and families navigate the college planning process. Its mission is to empower students, serve families, and inspire greatness. We know that applying to college can be overwhelming, which is why we strive to make this process enjoyable for families. Class 101 helps navigate the complex, multi-year process by working one-on-one with students as early as their freshman year of high school. As their mission states, "It's not just about getting into college. At the core of everything we do is a passion for helping young people find their future."

Sister Dennis Tisler

Joy Hogsten

The Dave C. Imber Excellence in Teaching Award, established in 2022, was a parting gift of devotion to the late Dave Imber's teaching colleagues. He created an annual award to recognize outstanding teaching efforts and classroom success. It is a peer nominated award reviewed by a committee who select a total of five faculty to each receive a \$2,500 financial gift. The selection committee looks for faculty who embody Dave's legacy of love for Catholic education and Alter students.

The 2022 Dave C. Imber Excellence in Teaching Award was presented in May 2023 to the following outstanding educators who demonstrate day after

day, year after year, their commitment to delivering excellence in all they do inside and outside the classroom:

- ◆ **Alex Schuster:** Social Studies Department Chair, Varsity Boys Golf Coach, Student Council Moderator
- ◆ **Barb Groene:** Dean of Students, National Honor Society Moderator
- ◆ **Megan Sears:** Theatre Director and Teacher
- ◆ **Sister Dennis Tisler:** Math Teacher, Senior Class Moderator, Scheduling and Grade Reporting
- ◆ **Joy Hogsten:** Guided Study Hall Program in the Learning Center

“Sharing your financial blessings can have a profound impact on the school... this collective generosity enhances all aspects of the Alter educational experience...”

Gifts of Time, Talent, and Treasure

Dear Friends,

Unbelievable! That is the word I would use to describe the year we had as an Alter community. **THANK YOU** for joining in our slate of 60th Jubilee Anniversary activities and celebrations. This was really a year about **YOU**, and how your collective participation as a student, alumnus, parent, faculty member, grandparent, and friend has helped to position Alter to enter its next decade. This sixty-year cumulative experience reflects Alter's rich history of traditions, punctuated by individual and group achievements, and hallmarked by the many successes of Alter graduates. We raise a glass to honor all of you today, those who have passed, and those who have yet to join the Alter family as we pursue the next sixty years of excellence.

The pages that follow report gifts made during the fiscal year July 1, 2022, through June 30, 2023, supporting specific needs like scholarships, financial aid, athletic teams, student life, the arts, and more. Many gifts supported the Alter Annual Fund which is a significant measurement of Alter's financial health and provides us the ability to meet annual obligations. A vibrant and growing Alter Annual Fund can allow budget flexibility for new opportunities to benefit students, improve and repair our facilities, and support our community.

Our goal is to continue to deliver special engagements for Alter families, provide relevant and timely communication to keep our community informed and connected, and to invite learning and participation in supporting today's challenges. We must continue to increase enrollment, secure investment partners to improve our facilities, and recruit and retain competent and compassionate faculty, staff, and coaches for long-term sustainability.

To all our community members who demonstrate their love of Alter through gifts of time, talent, and treasure, we are indebted to your generosity and appreciate your commitment to our future.

God bless and go Knights,

Robin Blank,
Director of Advancement

WHAT IS THE ALTER FUND?

The Alter Fund is like oxygen that allows Alter to not just operate, but to thrive. It is our cornerstone gift raising effort for unrestricted revenue that is used in the current fiscal year. It helps make up the difference between tuition and the true cost to provide an Alter education.

An investment in the Alter Fund helps us stay faithful to our mission and continue shaping tomorrow's leaders.

did you know?

- ◆ The state of Ohio allows you to direct a portion of the state income taxes you pay to provide tuition assistance for students at Catholic schools.
- ◆ You can make a gift to a Scholarship Granting Organization (SGO) and receive a 100% Ohio income non-refundable tax credit up to \$750 (\$1,500 filing jointly) against your 2023 Ohio state tax liability.
- ◆ You can designate that gift to **Alter High School**, which will help provide critical tuition assistance to our students.

How can I make a gift to receive an Ohio tax credit?

Make a gift online or by check to the Catholic Education Foundation (CEF) and designate Alter High School to receive your gift. You'll receive a tax receipt directly from CEF to use when filing your 2023 State of Ohio Income taxes to claim your tax credit.

Important Note: If you are married filing jointly and want to gift at the maximum tax credit limit, **EACH** spouse must make a **separate gift of \$750** to receive the maximum \$1,500 tax credit.
